Topic: Parking Lot Items

Program Null

Site: NEX Service Station

Presenter NSA

Williamson

Rob Williamson mentioned that the funding to remove the building and slab at the NEX Service Station may be granted later this year. He was concerned about water infiltrating the SWMU 19/49 area after slab removal. The BCT agreed to have EnSafe ready to sample following slab removal to assure that contamination is not at the surface and has a potential to spread.

Following slab removal, the VCA will be conducted at SMWU 19/49.
